

# BATLEY AND BIRSTALL NOTES AND COMMENTS.

## GRAND PERFORMANCE BY BATLEY.

(By King-Crow.)

From football to cricket is a pretty sudden jump, but so long as it has to be taken it is as well to feel as cheerful about it as possible under the circumstances. I mean no offence to our great summer pastime, for I am certain that none will suffer from a few months' attention to the bat and ball, and the donkey of the men in flannels. Batley opened their season on Saturday with a game with Morley at Mount Pleasant. This season, by the way, should prove a very unique one so far as Batley is concerned, for besides the fact that the league has been knocked on the head, Batley have been very unkindly, and, if I may say so, very unwisely debarred from taking part in the Heavy Woolen Cup Competition.

Morley turned up with only nine men and were accordingly wiped out in the space of a very short time. By the way, it was a very poor compliment to the Batley club to send such a rag of a team, especially seeing that more than ordinary interest was evinced in the meeting consequent upon the trouble that ensued in connection with last season's cup final. However, the Batley bowlers did to work in earnest and cleared out the opposition for 17 runs, there being four wickets for and Joe Wilson four for one. On the home side taking up the bat, Joe Greenwood was run out for four, Tom Fox bowled for three and for none, but the veteran, Abe Farrar, added up 14, and with Hodgson not out, three runs extra, the total reached 25 for four wickets, and the game came to an end.

In the second innings at Morley there was a remarkable failure with the bat. The batsmen went in first and not one of the bunch could make double figures, and the lot was disposed of for 34, the old original Burns being top scorer with eight. When Morley went in W. K. J. bowled immediately commenced a game of skittles, for

trials and Dewsbury Moor eighth morning in connection with the District League. The ground, but for play, and the rain was

very quickly five batsmen had fallen to his bowling for one run. As on the ground stood at seven wickets for five runs, the rain robbed the Batley second of victory.

I have not been able to trace a report of the Birstall and Castleford match which should have been played at Castleford, and there is evidence that it was abandoned owing to the wind and weather.

The meeting of Birstall Mount Top and Birstall Wesleyans in fine weather would have created a lively interest in the thriving little town. The game took place on the Wesleyans' ground, and the Mount Top brigade won very comfortably. The home eleven went in first and ran up 26 with one a single double figure contribution, this no doubt being due to the fine bowling of W. Blakeley, who took seven wickets for 17 runs, and W. Stainthorpe, whose record was one over and one maiden, no runs, and three wickets. That's a bowling for you! When Mount Top went in at second's as though whether rapid slaughter was about to take place, for took in only position as many runs, but this left J. Aylward and S. Farrand in partnership, and they made the victory secure, the former scoring 15 and the latter seven.

I shall be glad to receive reports of matches played in the Batley and Birstall districts to be included in this column. To insure insertion, the matter should reach the "Reporter" office, Batley, not later than Monday noon each week.
