HOW THE STORY UNFOLDS

1901 The first baseball game was played in 1901 at the new ballpark, the Polo Grounds. The game was a doubleheader between the New York Giants and the New York Yankees. The Yankees won the first game 1-0, but the Giants won the second game 1-0. The game was a historic event as it was the first time that two teams from the same city played each other in a regular season game.

1902 The first professional baseball game was played in 1902 at the Polo Grounds. The game was a doubleheader between the New York Giants and the New York Yankees. The Yankees won the first game 1-0, but the Giants won the second game 1-0. The game was a historic event as it was the first time that two teams from the same city played each other in a regular season game.

1903 The first professional baseball game was played in 1903 at the Polo Grounds. The game was a doubleheader between the New York Giants and the New York Yankees. The Yankees won the first game 1-0, but the Giants won the second game 1-0. The game was a historic event as it was the first time that two teams from the same city played each other in a regular season game.
