

SECRET CREAM BUNS

Sheila Waring on baking for the club

I help the club where I can. I make cream buns and other desserts when the 2nd XI are at home. Three eggs in everything – that's the secret!

I bake on the Saturday morning so everything's fresh for the afternoon. My niece brings my buns and cakes down to the ground at lunchtime.

I don't really want people to know about this! I enjoy helping the club.
