

decided that with Bates and Gledhill as the first pair, and so did they commence that 70 was registered at the fall of the first wicket, when Gledhill was out for a well-played 27. S. Wilson then joined Bates, and another splendid stand was made, so that before they were parted 256 runs were on the board, of which Bates had contributed 110 by magnificent cricket. On the call of time 248 runs were totalled for the loss of only two wickets; S. Wilson not out 97. J. Sunderland not out 5. S. Wilson never gave the semblance of a chance. Honley put the visitors in to avoid the loss of a point or two in the competition, and their reward was an afternoon's fielding, which was a little more than they had bargained for.

ALLIANCE No. 2.

Hall Bower closed a splendid season by taking down Bradley Mills by 45 to 30. The bowling on both sides was remarkably good, as the analyses show. That of the winners was:—

J. T. Slater ...	9	3	18	6
W. Ramsden ...	8	4	19	4

Every one of the Milners were clean bowled. The analysis of the Bradley men was:—

	O.	M.	R.	W.
White ...	14	4	28	6
Jackson ...	8	3	8	3

Linthwaite Hall entertained Netherthong last Saturday, at Linthwaite Hall, and had the satisfaction of getting two points out of them. The visitors batted first, but did not make much headway against the bowling of Meal and Quarmby, as they had six wickets down for twenty runs, the other four compiling 19. With the extras the total was brought to 49. Linthwaite Hall passed their opponents' score with five wickets down, the remainder carrying the score to 73.
